Dear John:

Many thanks for your note of October 1. Unfortunately my only visit to New York for the near future will be on the afternoon of October 15, as I have to speak to a meeting of the New York City Bar Association at five o'clock.

If I find it possible to get up earlier in the day, I shall give you a call and see whether we can get together. I gather from your letter that this falls on a rather busy day for you.

Sincerely,

(Signed) ALLEN W. DULLES
